Funding is to be granted particularly when cultural activities take place in, or have a connection with Carinthia. According to § 1 section 3 lit g) of the K-KFördG 2001, the purpose of funding is to stimulate the cultural life of Carinthia, opening a modern perspective on the outside world including cultural exchanges. Furthermore, § 2 section 1 lit. i) und lit. l) of the K-KFördG 2001 states that areas of funding should include electronic media, photography and film, as well as intercultural collaboration.

1. Subject of funding

With the award of this grant, the Province of Carinthia aims to promote contemporary film and media art, actively encouraging it through cultural exchange.

Therefore, according to § 4 section 1 lit e) of the K-KFördG 2001, the Province of Carinthia, in cooperation with the Town of Villach, is awarding a 3,600.- € grant (1,200.- € per month) from **1st July 2017 to 30th September 2017**, including accommodation and work placement in Villach.

This grant aims to give film-makers the opportunity to establish lasting contacts with the local film scene and ideally realise a project. Apart from the accommodation and work placement, the existing local network provides the best possible support. The results of the work completed during the three-month period will be presented at the K3 film festival.

Eligible for the grant are

- production of a short, documentary, art or animation film
- film script or material development (open for all formats)

2. Eligible applicants

Eligible applicants include aspiring as well as established film-makers. The submitted projects do not have to be realised completely during the three-month period. It is also possible to complete a previously started project. Completed projects cannot be taken into account.
